

Bermuda AOC holders

This document provides a chronological listing of Air Operator Certificate (AOC) holders approved by the BCAA to conduct commercial air transport operations. Each listed operator holds a BCAA-issued AOC and is approved to operate in accordance with the applicable requirements of OTAR Parts 119 and 121 or 135, as applicable to the nature and scope of its operation.

The information reflects the status of BCAA-issued AOCs as of **30 September 2026**.
